## MESSAGE FROM THE SELECTMEN

It has been a very busy year for us in the Selectmen's office. We have a very nice country town and hope to see it stay this way.

We wish to thank all who have labored so hard this year as town officers and also those who have worked so hard on all the boards and committees. It takes a lot of time out of one's family life to serve the town in these positions and we appreciate it.

In the spring and early summer we rebuilt the north side of Dunn hill on North Bow Road, removing a bad curve and hill. The gravel for this project was donated by John Farrar of this town. We're sure the town joins us in a big "Thank you John". We also tarred many roads. Our T.R.A. project continues to be Gorham Pond Road and will be for at least another couple of years.

This summer the Dunbarton Women's Club donated nineteen tables to be used in the Town Hall. We're sure everyone appreciates the projects that the Women's Club does for the town each year.

Another thank you goes to the volunteers who worked so hard one week-end this summer fertilizing the trees on the Town Common.

Loam was hauled in and spread out on the town common to fill in the low spots and to help cover the exposed roots of the trees. We hope to get this seeded down this coming spring.

The Police department has informed us that the 24 hour County Dispatch Service has been a big help to them and is working out very well in answering our police telephone calls.

The Fire department dispatching service which went into effect this summer is also a big help and is working smoothly.

We suffered the loss of our Building Inspector Sidney Flanders when he died on November 18, 1973. Sid, who was much more than just a building inspector will be missed by late comers to our town as well as those of us who have lived here for many years.

The Town Hall was closed by us for the months of January and February in order to conserve fuel. We are now all feeling the effects of the energy crisis. In order to save fuel and electricity we have tried to combine meeting times as much as possible.

We wish to thank Mrs. Jane Grant, for an easement she granted to the town for conservation purposes.

In closing we would like to say thank you to our Road Agent and crew who have performed so very well to keep our highways safe and in good condition even with the gasoline shortage which is at hand.

Our weekly meeting is held every Monday morning from 9 o'clock until noon. If you need our help or any information, come in to see us or give us a call.

Special services such as Physical Therapy, Occupational Therapy and Nutritional guidance have been given by the special staffed personnel in order to assist with the rehabilitation of those handicapped by arthritis, heart trouble, diabetes, cancer, stroke, and accidents.

When family members are unable to supply all the needed care, a staff of Home Health Aides are available to give physical care, do light housework and assist with meal planning and preparation.

The nurses are delighted to advise new and expectant mothers the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition and exercise and accident prevention.

Anyone in Dunbarton may request these services - doctor, family, pastor, friend or parent liaison. Patients are also

other agencies. All calls are answered but continuing care can be provided only under a doctor's order.

A call to the Visiting Nurse Association at Concord 1224 between the hours 9:00 AM and 5:00 PM is all that is necessary to start services or make inquiries. Saturday, Sunday and Holiday calls are answered through a serious illness. Fees may be applied to those unable to pay the entire amount.

Mrs. John Swindeland is the Board Director Dunbarton area. She attends monthly board meetings and works in the clinic as well as Board Secretary. Telephone 242-2221 - 242-2221

# ANNUAL REPORT OF THE DUNBARTON PLANNING BOARD

The year 1973 January through December 31, 1973. The Planning Board has moved its headquarters to the center room of the old schoolhouse located in Dunbarton Center. The members of the Board of Adjustment, the Dunbarton Conservation Commission, and the Town Clerk.

Several changes in personnel have taken place during the year. Mrs. Patricia Robinson was recruited in January to fill the vacancy created by the resignation of Maynard Voth, Jr. Also, in January, Richard Kestner was appointed to the Board to replace Oskar DeWolfe. Acceptance of the resignation of these two late veterans of the Board was taken with sincere regrets, and their service has been missed on many occasions. Mrs. Anne Bailey's term expired in March and she was reappointed for another term of six years. Charles Hayek, Jr. resigned in April as a result of his election as Town Tax Collector. Arthur Powell succeeded Mr. Hayek for the remainder of his term. Early in April, Suburban First Bank replaced Walter Smith, Jr. as the office member of the Board. Mrs. Janet Lowy resigned in October and Mrs. Anne Smith replaces her for the remainder of her term.

## VISITING NURSE ASSOCIATION

January 22, 1974

For the Annual Report of the Town of Dunbarton, New Hampshire

Services rendered October 1, 1972 to September 30, 1973,  
(Agency's Fiscal Year)

Visits made 141

Two immunization clinics were held

Payment received from Town of Dunbarton - January 1974  
\$1,250.00

The Visiting Nurse Association of Concord continued to service Dunbarton for the fourth consecutive year. They have provided skilled nursing care to anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurses visits.

Special services such as Physical Therapy, Occupational Therapy and Nutrition guidance have been given by the special staff and consultants in order to assist with the rehabilitation of those handicapped by arthritis, heart trouble, diabetes, cancer, stroke, and accidents.

When family members are unable to supply all the needed care, a staff of Home Health Aides are available to give physical care, do light housekeeping and assist with meal planning and preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition and sickness and accident prevention.

Anyone in Dunbarton may request these services --- doctor, family, pastors, friend or patient himself. Patients are also

referred by clinics and other agencies. All calls are answered, but continuing care can be provided only under a doctor's order.

A call to the Visiting Nurse Association of Concord (224-4093) between the hours of 8 a.m. and 4 p.m. is all that is necessary to start service or make inquiries. Saturday, Sunday and Holiday calls are only made when there is a serious illness. Fees may be scaled to those unable to pay the entire amount.

Mrs. John Swindlehurst is the Board Director from the Dunbarton area. She attends monthly board meetings and assists in the clinics as well as board committee participation.

## ANNUAL REPORT OF THE DUNBARTON PLANNING BOARD

FOR 1973

The reporting is January 1 through December 31, 1973.

The Planning Board has moved its headquarters to the center room of the old schoolhouse, located in Dunbarton Center. The Board shares occupancy of this room with the Zoning Board of Adjustment, the Dunbarton Conservation Commission, and the Town Clerk.

Several changes in personnel have taken place during the year. Mrs. Priscilla Reinertsen was appointed in January to fill the vacancy created by the resignation of Maynard Hill, Jr. Also, in January, Richard Kettinger was appointed to the Board to replace Octave Dulude. Acceptance of the resignation of these two fine veterans of the Board was taken with sincere regrets, and their presence has been missed on many occasions. Mrs. Arlene Bailey's term expired in March and she was reappointed for another term of six years. Charles Hayek, Jr. resigned in April as a result of his election as Town Tax Collector. Arthur Powell succeeded Mr. Hayek for the remainder of his term. Early in April, Selectman Paul Morin replaced Walter Smith, Jr. as the ex-officio member of the Board. Mrs. Muriel Lively resigned in October and Mrs. Arlene Burns replaces her for the remainder of her term.

Officers for the year were elected at the regular meeting on March 21, 1973. The members elected: Richard Hammond, Chairman and Mrs. Arlene Bailey, Secretary. In December, Mrs. Bailey requested relief from her post as Secretary, and the Board elected Mrs. Arlene Burns to take her place.

Thirty-two meetings were held during the reporting period. Twelve were regular meetings. The remaining twenty included executive sessions, special public hearings, and joint meetings with other town boards. Twenty-six field trips were made to view sub-division sites, earth samplings, percolation tests, and to provide photograph documentation of sub-division violations.

Following a full year of preparation by the Planning Board, at a special Town Meeting on January 3, a safety code was rejected by the Town by a vote of 140 to 77. During January and February the Board held additional public hearings and eliminated restrictive portions to which the townspeople objected. The purpose of the code was to eliminate unsafe construction of new buildings. The modified code was voted on at the regular Town Meeting and on this occasion was defeated by only five votes.

Of the eighteen sub-division applications that were considered during the year, eight were granted, one resulted in the increase in size of an existing lot, one was denied and eight are still pending. The Planning Board has been represented by Town Counsel in defense of its decision in two cases and has in one pending action, sought court enforcement of its decision.

For its principal program for 1974 the Planning Board has voted unanimously to devote a substantial effort toward the preparation of a Master Plan for the Town. It is the intent of the Board to seek assistance from interested citizens in compiling necessary data required for proper decisions as to land use. The Central Regional Planning Commission has assured the Board of substantial assistance and guidance in the preparation of this vital document.

Regular meetings of the Planning Board are scheduled to be held in the town offices starting at 7:30 p.m. on the third Wednesday of each month. The townspeople are most welcome to attend.

Respectfully submitted,

Arthur Powell	1978	Priscilla Reinertsen	1974

## REPORT OF TRUSTEES OF DUNBARTON FREE

### PUBLIC LIBRARY

A year of great achievement in the Dunbarton Free Public Library has been attained. The addition of books in many categories, the attractive furnishings of rugs, drapes and many other items greatly needed was made possible due to the Charles A. Little Bequest. The trustees plan to continue the purchase of books from the legacy. The Library remained open during the process of relocating and on July 31st the moving was completed. Open House was held on September 29th bringing many interested visitors who found our Library most attractive. Refreshments were served by the Trustees and Friends of the Library. In gratitude to Mr. Charles A. Little for his Bequest to our Library, a framed photo of Mr. Little has been placed on a wall in the Library. Beneath his photo in a framed case is Mr. Little's watch.

Revenue Sharing made possible the painting, removing of shelves and bookcases from the old Library to our new location; plus carpentry, greatly needed new bookcases and a record cabinet. Appreciation to Mr. Fred Blomquist and Mr. Winslow Blanchard whose volunteer services, labor and materials contributed greatly during the process of relocating. To so many others who assisted, we express our sincere thanks.

A proper accounting to the Town of the Charles A. Little Bequest as promised in the Trustees Report of the Annual Report of 1972 follows:

At a special Town Meeting held October 11, 1969, the Board of Trustees of the Dunbarton Library consisting of Mrs. Irene Thalheimer, Mrs. Margaret Patrick and Mrs. Jeannette Perron with Mrs. Thalheimer as spokesman, informed the Town that the Dunbarton Library had been bequeathed approximately \$26,000.00 from Mr. Charles A. Little and requested the voters of the Town to accept this Bequest. When questioned if this amount was free and clear of any and all technical and legal aspects, an affirmative answer was given. The Town voted to accept the Charles A. Little Bequest. Subsequently this amount was not acceptable to the trustees as they felt an additional amount from interest was due them, therefore, legal action was brought against the Executor of the Little Estate. On October 30, 1968 the

As reported in the Annual Report of 1969 -

It is the intention of the trustees to place most of the money into trust funds to increase in amount for use in future building needs. This intention remains unchanged by the present trustees. Report of the Treasurer explains how funds from the Charles A. Little Bequest were disbursed during 1973.

The card cataloguing of books under the continued supervision of Mrs. Agnes Marshall and her assistants continues. Mrs. Irene Thalheimer continues cataloguing the children's books. We extend our thanks for the many gift books received.

Mrs. Julia Blanchard, librarian, held a summer reading program attended by seventeen children. The story hour for preschoolers with Mrs. Jacqueline Letourneau in charge and assisted by Mrs. Agnes Stewart: the first and second graders with Mrs. Helen Dodds in charge, all enjoyed successful programs and closed with a party at which time films were shown and refreshments served.

As volunteer work in our Library is greatly needed, we hope any interested person will contact our newly formed Friends of the Library Group. Our librarian will be pleased to furnish any information.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

### Forest Fire Record:

	State	District	Town
Fires reported	617	124	6
Acres burned	244	146	7 1/4
Acres average size	.395	1.21 A	1.20 A

## Dunbarton Volunteer Fire Department.

The Town is fortunate to have volunteer firemen who are devoted in the one purpose of saving life and property. They have been working hard and long in:

1. Improving the new Mutual Aid System binding the participating Towns closer together for better fire protection.

2. Implementation of an extensive training program conducted by state training officers every Wednesday evening, to keep the department's knowledge of Firefighting ever expanding. A competent trained fireman is our most valuable asset.

3. Implementation of the new twenty-four hour dispatching service which has proven itself very effective. Incorporated in this system are twenty electrical monitors with rechargeable batteries. In the event of a power failure the monitors automatically shift to battery power.

I am proud of the progress the firemen and the department have made this year, made possible by you, the taxpayer. Thank you from a grateful department. A special note of thanks to the Ladies Auxiliary for their financial help.

Respectfully submitted,

Edward Ballam

## COMMUNITY ACTION PROGRAM

CONCORD CENTER  
104 N. Main Street  
Concord, New Hampshire

Mr. Paul Morin  
Chairman of Selectmen  
Town of Dunbarton

Dear Mr. Morin:

If possible, would you please include the following report from Community Action in your town report. This would aid the residents of Dunbarton in becoming aware of some of CAP's other programs and activities and enable us to better serve your town.

The Belknap-Merrimack Community Action Program Inc., a delivery system of services to the elderly and low income, established an Access Transportation System in the town of Dunbarton in June 1973. Since inception the route has proven a huge success with over twenty elderly persons using the bus for more than 250 rides to and from Concord for purposes of shopping, keeping appointments, visiting, etc.

Other Community Action programs and services available to the residents of Dunbarton include the Neighborhood Youth Corps In-School and Out-of-School Programs; People Center; Information and Referral Service; and Housing and Emergency Assistance.

Residents of Dunbarton in need of our services are invited to stop in or call (225-6880) the Concord Center Monday thru Friday 8 to 5 p.m. or drop in at the People Center, located on Pleasant St. Ext., Mon-Wed-Fri nights from 3:30 to midnight.

Sincerely,

Tom Wentworth  
Concord Area Director

## ZONING BOARD OF ADJUSTMENT

The Board of Adjustment is scheduled to meet on the 2nd Monday of each month and met as business required during 1973. The following cases were heard:

### Variances

Maurice Paris - Granted permission to construct a garage less than 30 feet from the road.

Louis Nicoloro - Granted permission to put an addition on house that would be less than 30 feet from the road.

### Special Exceptions

Maurice Leighton - Granted permission to operate a gravel pit on Ray Road, subject to certain restrictions and conditions.

James and Clare Fedolfi - Granted permission to construct a Warehouse on Ray Road with certain restrictions and conditions.

In considering an appeal, the Board must act on the evidence before it and make its decision. In making its decision, the Board often stipulates certain restrictions, which the appellant must adhere to. In any case involving a conflict of interest with a Board member, the Alternate member sits with the Board of Adjustment. The member with the conflict of interest is excluded from all deliberations and the vote on the decision. The Board of Adjustment must act within the limits set by the Dunbarton Zoning Ordinance and enforcement of its decision rests with the Selectmen.

Alison Riley was appointed by the Selectmen as second alternate.

Respectfully submitted,

John Thalheimer, Chairman	1975
Louis Faustini, Vice-Chairman	1974
Harlan Noyes	1978
Priscilla Greenhalge	1977
Douglas Terry	1976
Harry Blaney - Alternate	
Alison Riley - Alternate and Clerk	

1973

The year 1973 has been a busy one for the department, with hours nearly doubled due to increases in vandalism, breaking and entering, thefts, and highway accidents. The energy crisis toward the end of the year resulted in lower speeds and fewer accidents but at the same time contributed to an increase in gasoline and fuel thefts.

Many changes in the department took place during the year, including the resignation of Chief Donald Terrill. Two officers have moved away and two new ones have been appointed.

Monthly meetings have been held along with several hours of instruction, with more of both planned for 1974. Because of this instruction, the department is more self-sufficient, requiring outside help much less frequently than before.

Federal funding has made possible the purchase of adequate communication systems for both cruisers. Unfortunately, the cruisers themselves have reached the point where they are no longer dependable and it is hoped that one of them can be replaced in the very near future.

Officers will be happy to make periodic property checks when requested if town residents will continue to notify the police when they plan to be away for an extended time. It is also very helpful when townspeople promptly report registration numbers of suspicious vehicles or any suspicious activities.

The Merrimack County Dispatch Center has been an invaluable service not only in promptly dispatching help when needed but also in assisting officers on duty. The County Sheriff's Department has been extremely helpful in investigative work relative to house breaks, and co-operation from the N.H. State

Police and the N.H. Motor Vehicle Division, as well as the police departments of surrounding towns has been outstanding and is greatly appreciated.

The number of recorded hours spent in police activities during the year are listed below (with several additional unrecorded hours being contributed by various officers):

Investigation	248
Patrol	701
Radar	48
Dog Complaints	27
Accidents	53
Family Troubles	22
Court	8
Stakeouts	29
Traffic	94
Administration	63
Miscellaneous	73
Total hours for 1973	1366

Current members of the Dunbarton Police Department are:

Chief William Little	Tenney Road
Regulars Michel Belanger	North Dunbarton
Robert Carlson	Gorham Pond
Reserves Simon Audet	East Dunbarton
Maurice Bartlett	South Dunbarton
Raymond Chateaufneuf	North Bow Road
Robert Marshall	Main Road
Wilfred Marshall	Main Road
Richard Mathieu	North Bow Road
Peter Montgomery	Main Road
John Swindlehurst	Main Road

In closing, I wish to thank not only my faithful officers but also the many thoughtful townspeople who have been so helpful during the year. The assistance and support received from both groups has been truly gratifying.

Dunbarton Police Department

Chief

# Report of Capital Regional Refuse Disposal Planning Board

As your representatives, we have served during 1973 as members of the regional refuse board. Twelve \* communities voted the thirty cents per capita assessment, which yielded a total sum of \$11,003 for the future activities of the board. This sum is in a savings account, awaiting need for its use in acquisition and site work. No further solid waste assessment is requested in 1974.

Most importantly, these appropriations by eleven towns and the city of Concord helped to secure a \$40,000 grant from the New England Regional Commission for planning and engineering work on potential sites. To date, seven sites have been investigated under the engineering contract with the Anderson-Nichols Company to determine the capability of the sites to accept solid waste in landfill operations. In 1974, under the 24-month contract, the detailed engineering, operations requirements, costs, financial and legal data will be developed to be presented to member communities for final action in 1975.

The federal grant was received by the Central N.H. Regional Planning Commission in June. The board promptly proceeded with the adoption of by-laws and election of officers. The board holds regular meetings at the commission office in Bow on the 4th Wednesday of the month. Any interested citizen is welcome to attend. Serving as officers now are:

Chairman - J. Willcox Brown, Dunbarton  
Vice Chairman - Ronald Ford, Concord  
Secretary - Shirley Howard, Epsom  
Treasurer - William Bogle, Canterbury

The board operates under a deadline for closing of all open burning dumps not later than July 1, 1975. Even the smaller towns such as Dunbarton, will have to find an alternate method by then. Through the board, we are not only working on the landfill proposal, but are also studying other methods, such as recycling and composting that can re-use materials and hence reduce the landfill volume.

Finally, as individuals, we wish to commend the caretaker of the town disposal area, Robert Ordway, and the citizens for cooperation in continuing to maintain as orderly a town dump as possible. Especially commendable is the voluntary recycling of substantial quantities of waste paper and other materials.

Respectfully submitted,

John Gravas  
John Swindlehurst  
J. Willcox Brown

## REMINDERS FROM YOUR CHIEF

1974, can be both dangerous and hazardous due to the energy crisis, if fire prevention is not practiced in the home. It is in this area you can help the most, by following these simple rules.

1. Check all chimneys: A clean tight chimney results in both fuel economy and fire safety.
2. Check all heating equipment, including wood and oil stoves, for proper installation.
3. Check your home for proper size wiring before using portable electric heater.
4. A person who stores gasoline, unwittingly exposes his family, home, and possessions to the extreme dangers of explosion and fire. To prevent this danger store this potential killer in only approved safety cans away from all buildings.

## REPORT OF

## CONSERVATION COMMISSION

1973

1973 saw the completion of the Open Space Study made possible by a grant from the Ford Foundation of \$1,875, and matching funds of \$1,125 voted by the 1972 and 1973 Town Meetings. Although the professional Open Space Study was completed in 1972, efforts to adapt the plan to the changing needs of the town, to implement the plan and to acquaint residents with the intent and goals of the plan have been carried forward by the Conservation Commission. One easement of 8 acres of wetland and woodland was accepted by the Commission and the Selectmen. Surveying of other property has been done during the past two winters.

The Commission has met with the Planning Board and has conferred with other town bodies. The Commission called a meeting of interested citizens (those who responded to a letter mailed during the summer). As a result of this meeting three citizen committees were formed: on field trips, on publicity and on scenic roads. Two successful field trips were held, one along the unpaved portion of Black Brook Road, known also as the New Road, when we inspected the Story Conservation Land and presented Mrs. Story with a plaque in recognition of her gift of an easement. The second was a walk on Legache Hill Road from Robert Rogers Road to the dam at the outlet of Kimball Pond. On each of these trips the leaders pointed out certain kinds of land use and types of wildlife habitat as well as various ecological and environmental points of interest.

The Scenic Roads Committee, under the chairmanship of John Thalheimer, conducted an active investigation of town roads and met with the Conservation Commission to report their findings. We agreed to recommend some town roads for adoption as scenic roads under RSA 253: 17-18. These roads are as follows:

(A) Black Brook Road — from Stark Highway at Charles Green place southeasterly to Goffstown line.

(B) County Road (Stone Road) — from Guinea Road southeasterly, cross Robert Rogers Road continuing to Montalona Road.

(C) Guinea Road — from Grapevine Road at Crosby place southerly to Robert Rogers Road.

(D) Kimball Pond Road — from Montalona Road at Dr. Towne place westerly to Black Brook Road.

(E) Legache Hill Road — from Robert Rogers Road near Harris Brook southerly.

(F) Long Pond Road — loop from Black Brook Road to same.

(G) Mansion Road — from Stark Highway at foot of Ireland's Hill northerly to Winslow Road.

(H) North Bow Road — from junction of Route 13 northeasterly to Bow line.

(I) Tenney Hill Road — from Grapevine Road at foot of Hammonds' Hill northerly to Stark Highway.

The protection afforded by the Scenic Roads Act would mean that should the town wish to alter a scenic road to the extent of cutting a tree (15 inches or more in circumference) or moving any part of a stonewall, prior written consent, after a public hearing, must be obtained from the Planning Board or other designated town body. This will not affect eligibility for TRA funds. The Commission urges this protection for these roads before construction destroys their beauty. This will not affect road safety, as the public hearing will afford adequate review of all aspects of any proposed construction.

A second proposal was submitted to the Ford Foundation in December, asking funds for making an inventory of town roads with special emphasis on Class VI roads. To establish the status of our roads, considerable research will be required. If this proposal is accepted, we will hope to use as much local assistance as may be available. We have asked for \$1250 from the Ford Foundation which must be matched by \$500 from the town.

The Conservation Commission became a member of the Environmental Coalition, a group supporting state legislation in this field. Members of our Commission attended hearings on some of the bills, speaking or registering their support. The Commission also continued its membership in the N.H. Association of Conservation Commissions. Two members attended the annual meeting.

The Commission acknowledges the contributions to its work made by Fredolph Blomquist during the five years he served on the Commission.

# RECORD OF THE ANNUAL MEETING OF THE DUNBARTON SCHOOL DISTRICT

March 3, 1973

The meeting was called to order by the moderator, Mr. Richard Kohls, at 8:00 p.m. Mr. Kohls read the warrant and notification of the meeting in the Town Hall on March 6 at 10:00 a.m. to vote on School District officers. He then called for a motion to change the time of meeting from 10:00 a.m. to 2:00 p.m., March 6. The motion was made by Mr. Harold Mooney that the hour be changed to two o'clock in the afternoon. The motion was seconded and passed unanimously.

The moderator stated that all motions and amendments to motions be handed to the moderator in writing.

## Article I

Mr. Harold Mooney moved that the salaries of the School Board and Truant Officer and the compensation of any other officers or agents of the District be accepted as listed in the budget. Seconded by Mrs. Casella. Motion carried.

## Article II

Motion made by Constance Casella and seconded by Harold Mooney that the report of Agents, Auditors and Committees or Officers chosen be accepted as printed in the town report. Motion passed.

## Article III

Charles Frost moved that Article III be passed over. Seconded by Constance Casella. Carried.

## Article IV

Harold Mooney moved that the School Board make application for and accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Seconded by Mrs. Casella. Carried. In the discussion following this article the question was raised as to

what Building Aid would be given. Mr. Peltonen, Superintendent, was asked to comment. He felt we would probably receive about thirty per cent. He introduced Mr. Wagner, Assistant Superintendent in charge of Federal Aid programs to education. Mr. Wagner reported his interest and follow-up procedures in the programs pertinent to the Dunbarton School.

## Article V

Charles Frost made the motion, seconded by Harold Mooney, that the District vote to raise and appropriate \$232,485.24 for the support of schools, for the payment of salaries of school district officials and agents, for the payment of the statutory obligations of the district. After considerable discussion pro and con the items in the budget, Mr. Edward Ballam moved that Article V be amended to provide a 15% decrease to the proposed budget for 1973-74, to be used to lower taxes. Mr. Charlie Hayek seconded the proposed amendment. Mrs. Casella rose to explain to the meeting the reasons for expenditures in the budget. Following this there were again arguments for and against cutting the budget. Finally Mr. Ballam again rose and proposed an amendment to his amendment by the motion to amend his first amendment to read a 10% decrease of the overall budget. More discussion. When all had had a chance to speak who wanted to, Mr. Kohls called for a voice vote on the second amendment. The amendment failed. The moderator then reread the first amendment - i.e. to decrease the budget by 15%. This amendment was also defeated. The moderator was about to state the main motion to the assembly. Before this was completed, however, another amendment was offered by Arline Little who proposed to decrease the original budget by \$5,000, thus bringing it down to \$227,485.24. The motion for amendment was seconded and after considerable more discussion the amendment was put to a voice vote and was defeated. More discussion. Finally Mr. Antonia moved the question: The main motion was put to a vote. Carried.

## Article VI

Mr. Wilcox Brown moved that we give a vote of thanks to the three retiring School District Officers: Mr. Harold Mooney,

Mrs. Constance Casella, Board Members, and Mrs. Marion Zeller, Clerk. Mr. Gardiner Mills moved that a vote of thanks be given to our superintendent, Mr. Ernest Peltonen, who is retiring in June after serving the Union for eleven years. This was immediately and enthusiastically done by applause.

## DUNBARTON SCHOOL DISTRICT ANNUAL SCHOOL HEALTH REPORT 1972 - 1973

On October 10, 1972, fifty-two children were given physical examinations by Dr. Albert Snay, school physician. Five children were found to have dental caries, one child revealed excessive ear wax, and one child had a bi-lateral hydracele. All cases were reported to parents and follow-ups were made.

Immunization clinics were held on October 11, 1972 and on April 3, 1973. These clinics were sponsored by the Concord Visiting Nurses Association with the assistance of Dr. King Warburton and several parent volunteers.

A dental program organized by Mrs. Jody Warburton was presented to the school children. Over a three month period, ninety-two children participated in this program. Volunteer parents provided transportation.

A hearing and vision screening program for children four and five years old was held on March 5, 1973 at the Town Hall and Library. This screening is sponsored by the Department of Health and Welfare directed by Mrs. Natalie Smith. Twenty children were tested.

Pre-school registration was held May 5, 1973 at the Dunbarton Elementary School.

Miss Connie Morten of the Tuberculosis Association administered and checked T.B. Tine test and one Mantoux test to the school staff and its volunteers. No positive reactions were found.

Mr. Robert Sarnoff of the Department of Education presented a program on the use and abuse of drugs to the sixth graders. A question and answer session followed.

An informative program was presented to the fifth and sixth grade girls on the menstrual process and hygiene.

One hundred and forty-five children were given vision and hearing tests. Those failing were reported to parents and follow-ups were made.

I would like very much to express my heartfelt thanks to all the people who made my first year as school nurse in New Hampshire very workable and extremely pleasant.

Respectfully submitted,

LaVerne Mannion, R.N.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Dunbarton:

I herewith submit my first annual report relative to the Dunbarton Elementary School.

The new school facility continues to be enthusiastically received by the students, teachers, parents and citizens of Dunbarton. For the first time in many years the full faculty remained to work with Dunbarton's pupils. These teachers find this school an operational, effective and exciting facility in which to teach. Visitors to the school sense a parallel excitement in learning on the part of the students. Through the cooperative effort of volunteer citizens, school board members and faculty playground equipment was moved from the town square to the school land, equipment which with other apparatus purchased by the School District or built by faculty provides an array of recreational and physical education activities.

### ENROLLMENT

Total enrollment in the Dunbarton Elementary School and as tuition students at Goffstown is 245, distributed by grades as follows: (1972-73 & 1973-74 figures are shown for comparison)

The year 1973 found us settling into our new school. A large class of 28 was promoted from grade 6. This was the largest class in the history of the school, according to our records.

In September, all six teachers returned to teach again. This is the first time that all teachers have returned since there were more than 3 in the school. We feel that this is a tribute to our new facilities and the rapport of the teachers. We hope that all will continue to return.

A federal grant of \$3,500.00 made it possible for Dunbarton Elementary School to greatly improve its resource center. Many audio-visual teaching materials and books were added and organized by volunteer resource center coordinator, Mrs. Janet Zeller. A group of ten volunteer resource center aides help our students and teachers make the best use of all these materials.

Reading improvement classes are now being held for 16 students, three times a week, with the volunteer help of Mrs. Ruth Hingle. Also, 30 students in grades 1-6 now have the op-

portunity to study conversational French for a short time each week, through the volunteer efforts of Mrs. Helen Dodds and Mrs. Marion Zeller.

A local staff development committee has been working for a year now as part of the state-wide plan to update and improve recertification programs for New Hampshire teachers.

#### STAFF DEVELOPMENT "MASTER PLAN" PROGRESS

Dunbarton citizens were alerted in last year's Annual Report that a change in New Hampshire certification procedures and requirements would become effective July 1, 1975. A key, local part of that procedure is a governing local MASTER PLAN.

A 9-member Dunbarton Staff Development Committee is compiling information and data needed to produce that MASTER PLAN for professional improvement, a PLAN which must also be acceptable to the N. H. State Dept. of Education. The Dunbarton Committee Members are:

Kenneth Koerber, Chairman  
Suzanne Swindlehurst, Secretary  
Joan Goddard  
Robert Iriana

Betty Ann Noyes, Asst. Chairman  
William T. Zeller, Liaison  
Claire Hammond  
Patricia Prescott  
Jody Warburton

Sub-committees, through appropriate survey devices, are determining the system's educational needs and the staff's professional improvement desires. As the State Guidelines asserts "...the most meaningful in-service education emanates from the needs as perceived and developed by educators, students and the community in a cooperative, supportive fashion rather than generalized state-wide requirements." Data for formulating the 1st draft of the Dunbarton School District MASTER PLAN should be compiled by the end of the 1973-74 school year.

#### INSTRUCTIONAL DEVELOPMENT INSTITUTE (IDI)

Two Dunbarton staff members joined 38 other educators from S.U. #19 and 4 from the Concord District in an IDI held at the new Media Center, Goffstown Jr. - Sr. High School, April 2-6, 1973. The Institute, a forty-hour, five-day validated training program, is designed to provide skills in applying a systematic approach toward developing practical solutions to learning and teaching problems.

Four leaders from the N.H. State Dept. of Education, specially trained to conduct the structured, carefully programmed and highly media-supported sessions... there were four other institutes conducted in the state... helped the Dunbarton-New Boston team search out alternative approaches to teaching and working with the non-motivated, "turned-off" students.

All costs except one-half of the substitutes' pay were provided by a grant funded by the U.S. Office of Education as part of its National Special Media Institute Project.

#### MEDIA CENTER GRANT

The \$3,500 grant previously referred to by Principal Zeller has provided approx. \$2,000 worth of books and \$1,000 of instructional support material, such as filmstrips, records, transparencies, cassettes, kits, globes, maps, charts and such. This special grant, one of the few funded in New Hampshire, is part of the Elementary-Secondary Education Act, Title II Program, a straight grant with no matching funds required.

#### ACKNOWLEDGMENT

I wish to extend my sincere appreciation for the aid and cooperation provided me by the principal, teachers, school board members and citizens of Dunbarton as I have commenced my work as the District's Superintendent, a complex and demanding position requiring cooperative performance. Meeting the requirements of cooperative performance equally well have been personnel at the Supervisory Union Office: Howard I. Wagner, Assistant Superintendent of Schools; William Trotter, Business Administrator; and Mrs. Ruth Henk, Mrs. Florence Schricker, Mrs. Sally Austin, and Mrs. Eleanor Duclos of the office staff.

You are invited to visit the new Supervisory Union quarters at Goffstown's former White School on School Street. Renovation of the first floor was done at Union expense and has provided pleasant, modern, and very functional office space. My office is open to your inquiries and suggestions. Stop in when you visit.
